#### 1 OFFICIAL AUTHORITY REGULATIONS

## (1) Objective

The purpose of this regulation is to clarify the authority and responsibility for business execution of the company.

## (2) Definition

This regulation consists of the following clauses and the Official Authority Table. The duties of each department and the process of decision-making shall be as stipulated in the Official Authority Table.

#### (3) Delegation of Authority

- 1. In case that the person who has the authority is absent, his/her superior may exercise the authority on behalf of the person.
- A written approval of A3 shall be required to delegate the authority of persons under the position of A4 or below.
   An approval of the Board of Directors Meeting shall be required to delegate the authority of A3.
   The content of the authority to be delegated, and the name and position of the person to whom the authority is to be delegated shall be specified in the approval application.

## (4) Definition of Organisation and Positions/ Titles

A unified three-layer hierarchy—Function, Department, and Unit—will be adopted across the MOLCT Group to ensure consistency and clarity in organizational structure.

- 1. **Function:** These are the core components of our business, each managed by dedicated Executive Officers who ensure strategic alignment and operational effectiveness
- 2. **Department:** Departments will execute the activities of their respective functions, led by a "Head of Department" who holds the relevant authority for approval within MCTSPR, irrespective of their legal entity affiliation.
- 3. Unit: Units, as sub-components of Functions or Departments, will be led by a "Leader," focusing on specific operational tasks and objectives.
